Experience

Team Commander - in National Army
2016-2018

During this short period I gained true work experience with people I have ordered, and it's an honor to serve in Azerbaijan army.

Director for new program - in Kapaz TV
2018

After finishing serving in military I have worked as news program director for two months. As their salary was so low I have left this job and decided to start programming as a pro.

Education

Programming - in Code Academy
2018-2019

It is the place which I gained most experience in my life. I have learned HTML5, CSS3, ES6, Bootstrap4, jQuery3 and after finishing this course I will be a fullstack web developer with additional C#, ASP.Net, MVC, Azure knowledges.

Economy - in ASAU
2011-2015

I've entered university with 547 score from TQDK in 2011.
